Update on new policies for 2022

- The following has been approved as policy:

Booster club policy updates:

- Requests for financial support over \$500 may not be decided immediately at the meeting that request is presented, but will be approved no later than 30 days after request is made
- If request is for uniforms or other equipment for a sport/club/group it will be expected that the group will have raised half of the money through their own efforts and have helped staff concession stands and other booster club functions. If a group is unable to do this please be able to explain the hardships to Booster club.
- State qualifying teams: Booster club will pay \$10 per meal per participating member and coaches. Hotel rooms will be paid as follows: 1 room per 4 students of the same gender. 1 room per 2 coaches of the same gender. The rooms will be booked and paid by the business office of the school in order to obtain the best rates and consistency among teams. The coaches can

coordinate with the business office in regards to location. If additional rooms are desired these will be paid by the individuals.
