The 2023-2024 school year represents the 115th year of Sacred Heart Jr-Sr High School’s service to the Salina area. Sacred Heart is a fully accredited Catholic school whose mission is to educate the whole person, spirit, mind and body in Christian values according to our Catholic faith tradition. Our commitment is to provide a value-based environment that is conducive to each individual in preparing students for responsible adult leadership in church, society, and world.

First and foremost, our goal of passing on the teachings, traditions, and treasures of the Catholic Faith underscores our primary existence and therefore is intertwined in the daily life of our school. We are challenged to be our best and demonstrate our faith by example.

Sacred Heart frequently conducts a parent survey soliciting input from parents regarding Sacred Heart Jr/Sr High School. One of the questions we ask is why parents enroll their children at Sacred Heart. Each year, and without exception, the top 5 reasons parents enroll their children at Sacred Heart are:

- ◆ for the religious identity and formation of their student
- ◆ strong academics
- ◆ the school’s reputation
- ◆ discipline
- ◆ staff competence

The House and Community system, adopted in 2017, helps foster stronger bonds between students in all grades and helps nurture the growth of the whole person by focusing on faith, family, and fellowship.
