A word from our Principal...

Greetings, Alumni!

I trust this letter finds you in good health and high spirits. As the principal of Sacred Heart Jr/Sr High School, I am delighted to reach out to you to share updates on the exciting developments and accomplishments taking place within our beloved school community.

First, I would like to extend my gratitude and appreciation for your continued support and dedication to SHJSHS. Your contributions, whether through volunteer efforts, financial support, or simply by maintaining a strong connection with our school, have played an important role in fulfilling our mission.

Over the past year, our students and faculty have achieved success in academic, and extra-curricular activities. It is inspiring to witness the impact of a strong foundation laid by former students like yourself who have walked the halls of SHJSHS. Your commitment to excellence continues to inspire and motivate our current generation of students.

In addition to academic achievements, our school has remained steadfast in fostering a nurturing and inclusive environment that upholds the values instilled in us by the Catholic faith. The spiritual growth and moral development of our students remain at the forefront of our educational mission, and we are proud to see the positive influence it has on their lives.

We are excited about upcoming initiatives that will further enhance the overall educational experience at SHJSHS. Your continued support is instrumental in making these projects a reality, and we invite you to join us in shaping the future of your alma mater.

To stay connected and informed about the latest happenings on our campus, we encourage you to visit our website www.shknights.com and follow us on Facebook and Instagram. We also host alumni events throughout the year, providing opportunities for you to reconnect with classmates and share your experiences with the current generation of students.

In closing, I extend an open invitation for you to visit Sacred Heart Jr/Sr High School whenever your schedule permits. Your presence brings joy to our students and serves as a reminder of the rich legacy that binds us together. Thank you once again for your support.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Krajicek'.

Love N' Learn Child Care Center Renovation

We are excited to announce that we are nearing ground breaking for renovation of our current Love N' Learn Child Care Center located on the Salina Catholic Schools campus. Improvements will include new infant spaces which will extend our program down to 8 weeks of age up to 5 years of age. This means families will be able to enroll their students with us from diapers to diplomas! More information will be coming soon on our website and Facebook page!

New website coming soon!

Make sure to check our website in March for an upgrade! We are looking forward to a new Salina Catholic Schools site with each school, Love N' Learn Child Care Center, St. Mary's Grade School, and Sacred Heart Jr/Sr High School having new sites as well! You can still find us at shknights.com! We are excited for this new way of communication for our families and promotion for our community!

Raising Saints

Annual Fund

Salina Catholic Schools

Annual Fund

We are incredibly excited to announce the launch of the first ever ***Salina Catholic Schools Raising Saints Annual Fund!*** If you received a mailing, you can find the most complete information about this campaign there. You can also check out our website for more information!

WHY AN ANNUAL FUND?

The Annual Fund is the most important fund-raiser at Sacred Heart because it supports all that we do. Monies raised allow us to enhance the daily experience in our programs and activities.

THERE ARE ENDOWMENTS THAT ROUTINELY SUPPORT THE OPERATIONS OF THE SCHOOL. WHY SHOULD I GIVE?

The Diocese has a goal of paying our teachers at least 80% of the USD 305 salary scale. Your gift helps us move closer to that goal. As new program and curricular materials are assessed, your gift allows school leadership to say "Yes!" more.

IS THIS JUST ONE MORE FUNDRAISER?

No...in fact, we are "sunsetting" a number of fundraisers that contribute to that feeling of being "nickel and dimed." We will keep our hallmark experiences – the Auction, Match Madness and the Golf Tournament.

CAN I DESIGNATE MY GIFT TO SUPPORT A SPECIFIC AREA OF THE SCHOOL?

Yes, there are four buckets you can direct your gift to each year – Faith, Academic, Athletics & Activities, and Tuition Assistance.

I'D LIKE TO LEAD IN MY GIVING TO SACRED HEART. WHAT IS CONSIDERED A LEADERSHIP GIFT?

Four leadership levels allow them to be recognized. We formally recognize our donors every year in our Annual Report.

- The Servant of God Society - \$100-\$999 – Invite to the State of the Schools Appreciation Event
- The Venerable Society - \$1000-\$4999 – Invite to a Tour of NW Kansas Churches
- The Blessed Society - \$5000-\$9999 – Invite to a Tour of the Blessed Stanley Rother Shrine (OKC)
- The Saint's Society - +\$10000 – Invite to a 3-Day Eucharistic Congress (Lucas Oil Stadium, Indianapolis, IN)

First Day of School Unlike Anywhere Else

The first day of school might bring back memories for some of finding your locker, catching up with friends you haven't seen since May, perusing through class schedules for who you might have 6th hour P.E with but things look a little different with the introduction of our Community-House System in 2017.

Now the first day of school begins with school wide pep-rally with a welcome from senior leadership members and school administration. Students are then drafted into their Communities (St. Margaret Mary, St. John Paul II, St. Mother Teresa) where they will be involved in prayer daily, service projects, and an opportunity to meet with students in other grades and feel connected from their first day as a 7th grader to the day they graduate.

To watch the drafting ceremony, visit our Facebook page and scroll back to August. It is an incredible experience for our students and their families to enjoy as well.

Grandparents & Alumni Weekend

In September, we kicked off the first ever Salina Catholic Schools Grandparents and Alumni Weekend. This was in an effort to connect the community to past, current, and future members of our schools – and it was a HUGE success!

The weekend began on Friday, September 22nd with a campus wide Grandparents Day Mass in the Sacred Heart gym. We had over 700 grandparents, parents, special friends, students, and faculty attend Mass. It was truly an unforgettable experience!

After mass, students led their guests back to their respective buildings for games, activities, and lunch! It was a great opportunity for students to walk them through their hallways and classrooms, introduce them to their friends, and spend some quality time.

Top left: Grandparents Day Mass was celebrated in the SHJSHS Gym with over 600 attending.

Top Right: Junior Taygen Carswell, and his grandmother await the start of the first campus-wide Grandparents Day Mass.

Middle Right: Senior, Meagan Torrey, and her grandfather smile for a picture following Mass.

Bottom Right: Seniors Walker Tuttle and Max Ehrlich enjoy lunch with their grandparents.

Bottom Left, I-r: Deacon Steve Frueh, Father Brian McCaffrey, and Father Keith Weber celebrate Mass with the students and their families.

Grandparents & Alumni Weekend

Friday evening concluded with the Knights football game where we honored the members of the Distinguished Alumni group. These individuals have been nominated over the years for their accolades and accomplishments within and outside their time at SH.

We also welcomed the inaugural inductees to the Knights Hall of Fame. This was an incredible evening with so many impressive individuals in one location for the evening. The class of 1973 hosted their 50th class reunion and we were able to acknowledge and celebrate them.

Saturday morning began with the Knights Hall of Fame Brunch where we honored and officially inducted the inaugural class. It was a great morning of celebration, fellowship, tours of the school and so many memories of their time in our halls.

We wrapped up the weekend with a costume fun run for our St. Mary's Grade School families. It was amazing to see the community come together for an evening of fun and fitness!
