

# Mental Health Providers in Saline County

*The list below provides information about services offered in the Salina community should parents choose to contact them. The list of services is referenced in Board Policy JDD which states “A Student suspended for more than 10 school days or expelled from school shall be provided with information concerning services or programs offered by public and private agencies which provide services to improve the student’s attitude and behavior.” Providing this list does not indicate knowledge of or support of any specific service provider, nor does USD 305 claim it to be a comprehensive list of possible services. A decision to utilize any of these services lies with the parents of the student and the parents are responsible for any cost incurred.*
